Small, not very deep canyon, also suitable for beginners.

see map section Google maps under Links

Continue to the parking lot with conversion, first turn left at an acute angle, then to the next rightward haipin bend.

We take the path that leads up along the stream. Where a railing secures the path against the embankment, we look for the path into the streambed.

**Tour:** (machine translated)

see photo album and video (the first two thirds of the integral walk until the break).

**Return:** (machine translated)

After the C16, turn left onto the road; you can also take the next two small steps and then turn left up to the bend in the road.
