From Digne les Bains we take the D900 in the direction of Barcelonette. After 6.5 km we turn right onto the D22 in the direction of Archail, Draix. We now drive almost 4 km into the valley of the Bouinenc River and come to a sharp right-hand bend, from which the road starts to climb more steeply. At the bend to the right, park the car on the left.

Above the bridge into the stream.
From the parking lot in the road bend on the road up to this bridge on foot 15 min (1500m).
