<b>Specialities:</b>		
<b>Gear:</b> Ropes: 1x30m		
<b>Summary:</b> (machine translated) Short, open rappel canyon in stratified limestone, also suitable for beginners.		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) From Digne les Bains we take the D900 in the direction of Barcelonette. After 6.5 km we turn right onto the D22 in the direction of Archail, Draix. We now drive almost 4 km into the valley of the Bouinenc River and come to a sharp right-hand bend, from which the road starts to climb more steeply. At the bend to the right, park the car on the left.		
<b>Approach:</b> (machine translated) Above the bridge into the stream. From the parking lot in the bend in the road up to this bridge on foot 15 min.		
<b>Tour:</b> (machine translated) Open canyon in south-north direction, so well sunlit. Also well suited for beginners. Especially in the lower area, many bathers can be found on warm summer days.		
<b>Return:</b> (machine translated) After descending the Vabre, you reach the mouth of the Bouinenc River and go down along its orographic left bank on a path until you reach the parking lot at the bend in the road.
