Specialities:

Gear:

Summary: (machine translated)
Short canyon with almost no difficulty. The environment is very beautiful and the accesses and returns are very nice and not too long/complicated.

Hydrology:

Access: (machine translated)
We have to get to Ferramulín in the Sierra del Courel, where we will park.

Approach: (machine translated)
From the square we leave by the street of the white chapel. We go up through the chestnut forest to the "sequeiro", a slate construction. Next to it there is a path on the right that goes down to the river.

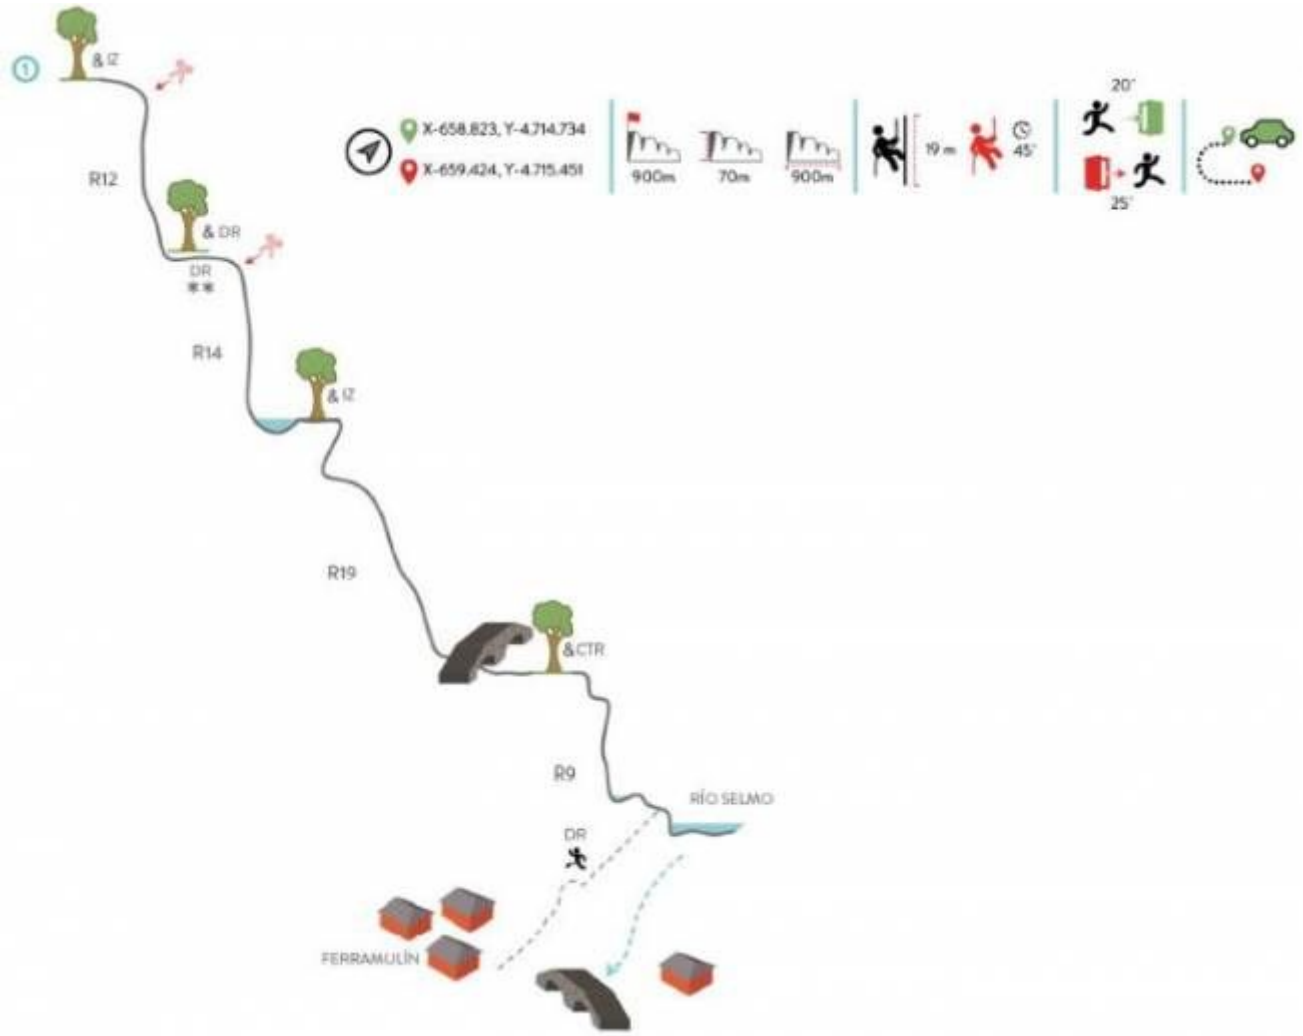

Tour: (machine translated)
Simple, 4 rappels, the first one is a fractional waterfall.

Return: (machine translated)
We reach the Selmo river and follow it to Ferramulín. There is a fishermen's path on the right where you can go
