**Approach:** (machine translated)

Return along the road - then ascend in the direction of "alpe Ronco". When you reach the huts, continue uphill on the gravel road to the right. Shortly afterwards, take a path to the left towards "Lago di Campiccioli" and follow this until you reach the stream.

**Tour:**

**Return:** (machine translated)

Stop at the last rappel after approx. 55 m and get off via the metal bridge - the walk from there to the car takes approx. 15 min.

Alternatively, you can also rappel down to the lake - another approx. 55 m rappel - not recommended. The intermediate belay is difficult to find. In the lower area there are sharp edges and danger of falling rocks.
