Specialities:

Gear:

Summary: (machine translated)
Sport canyon, aquatic and very interesting, in rainy season it is a full-fledged A4 that will make us have to put the batteries. 500m of adrenaline with only 4 rappels.
To complete

Hydrology:

Access: (machine translated)
Getting to Miñotos

Approach: (machine translated)
From the dam, all you have to do is go down to the riverbed.

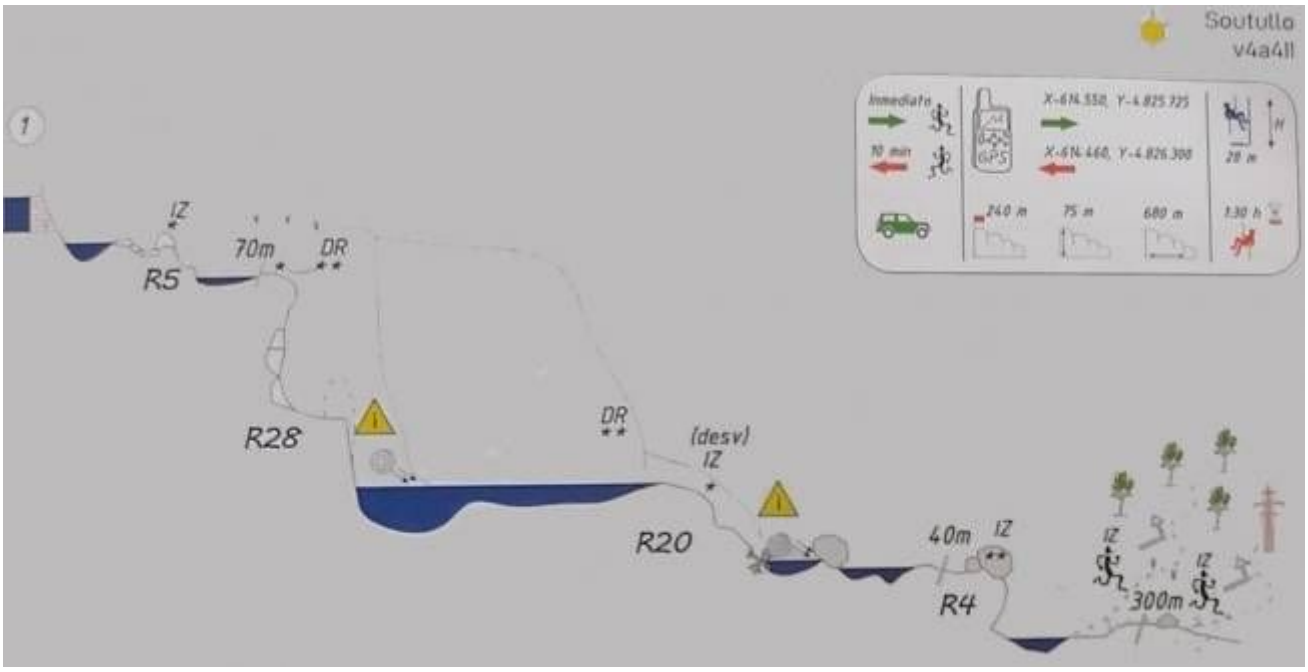

Tour: (machine translated)
See mole

Return: (machine translated)
After the last rappel we go left through the forest or a few meters ahead following the power line, when we reach the forest track, we take it to the left to the car.
