Specialities:

Gear:

Summary: (machine translated)
Short, also commercially guided tour with 3 abseils and one possible jumps. The tour ends in the canyon of the Great Sölk which lies under a reservoir - danger due to flooding.

Hydrology:

Access: (machine translated)
Take the L704 from Stein an der Enns into the Sölktal valley. In the area below Großsölk Castle there are several parking facilities on the right-hand side of the road.

Approach: (machine translated)
Follow the road for 5 minutes to the bridge over the Feisterbach, cross it and descend on the other side following a forest road across the meadows. At the exit of the meadow briefly into the forest where you reach the stream above the waterfalls.

Tour: (machine translated)
In the Feisterbach 3 waterfalls and many rope remains - 28m, 6m, 20m. Then a repeatable 4m jump in the Sölkschlucht gorge. The tour exits at a hiking trail bridge.

Return: (machine translated)
Via the hiking trail back to the car.

Coordinates:
Canyon Start 47.4072 13.9697
Canyon End 47.4072 13.9629
Parking Entry and Exit 47.4082 13.9662

Short nice canyon . Beautiful granite and the three rappels are scenic great Otherwise open forest stream hike which you can do if you are nearby Exceedingly well equipped with many bolt stands If there is a lot of water, the three rappels are certainly fun (machine translated)
