2025-06-28 System User 📖 📌 🌊 Normal 🍀 Completed Automatisch importiert von Descente-Canyon.com für Canyon Pointe d'Argent Approche RG en mode sanglier en remontant la ravine au dessus des bouleaux. Canyon sympa, grosse faille très marquée. Plus joli que ce que je m'imaginai. Relais vieillissants mais suffisants, on a changé la sangle du premier rappel. Roche pourrie sur les abords, ça donne pas envie de traîner dedans... (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21139/observations.html)
