Hydrology:

Access: (machine translated)
On the T330 road from Horta to Prat del Comte.
At pk 20 we will take a track on the right. About 2 kms of track to reach a plain before the Barranc del Closet. We park

Approach: (machine translated)
We will see an old track that goes to the Pujador de Valero. We will go up this old PR (there is some climbing). After this point we will be in the Montsagre d'Horta, near the source of the same name. From the fountain the beginning of the ravine is evident.

Tour: (machine translated)
A first cut with a 60m rappel. A less vertical zone and a second vertical zone with two rappels of 35 and 25m.

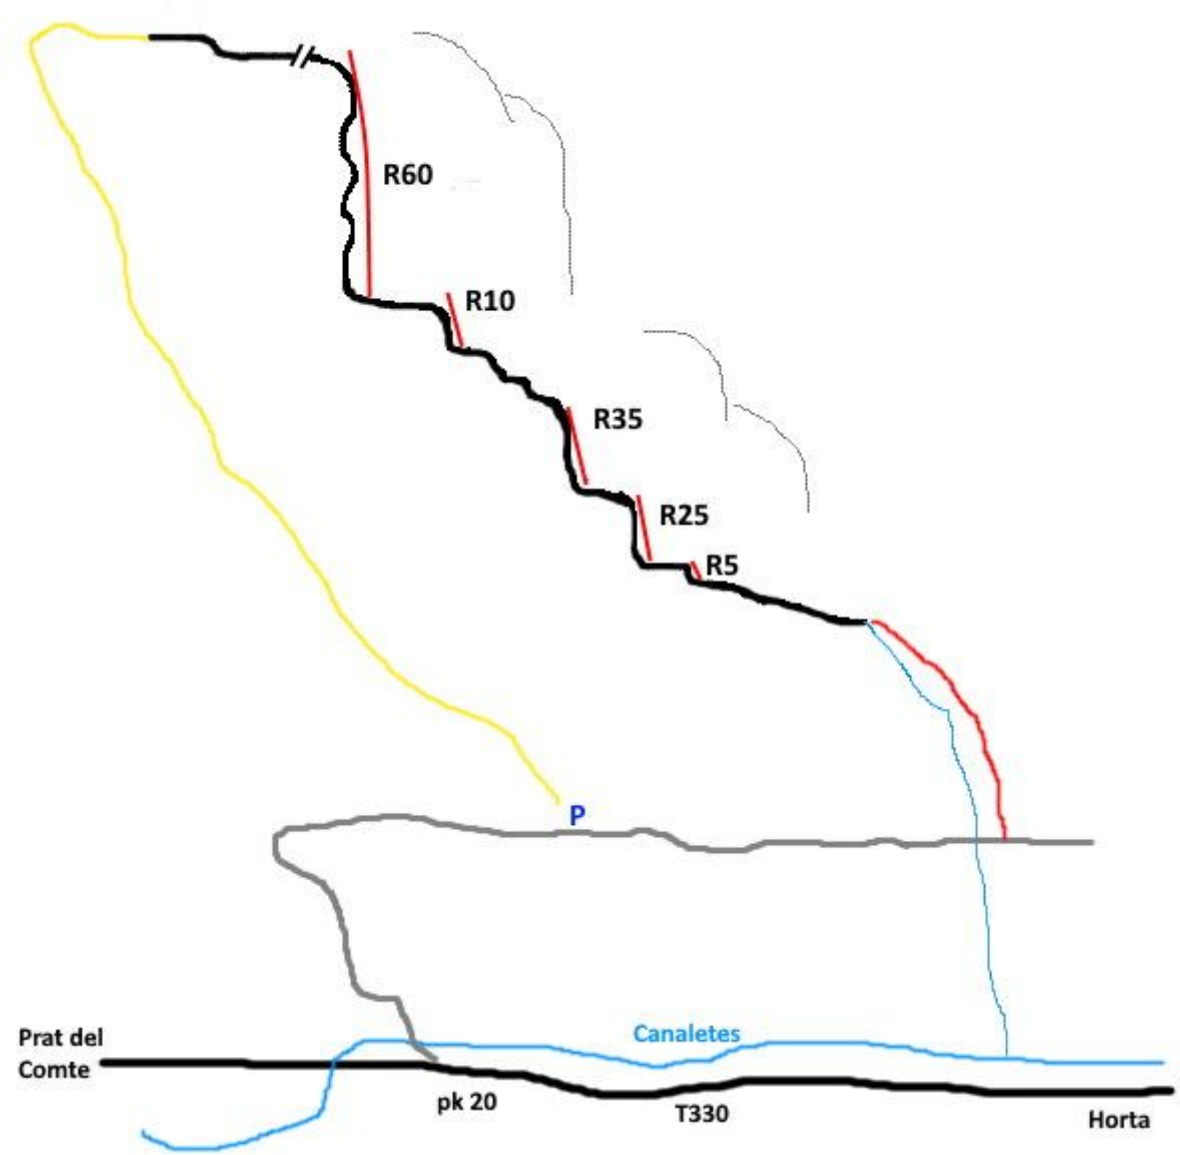

Return: (machine translated)
We will follow the riverbed until we find a path that turns into an old track that will take us to the track where we parked. To do this we will take it to the right and in 300m we will be on the right.
