Specialities:

Gear:

Summary: (machine translated)
Simple canyon that is done to descend the Dos Aguas ferrata, so we will have two activities in 1.
Best to avoid the central hours of summer because it is south facing.

Hydrology:

Access: (machine translated)
We have to be located in Dos Aguas, a beautiful Valencian village. We will look for the top street of the village from which you can access the ferrata and we park

Approach: (machine translated)
Through the pedrera we will go up to the ferrata, when we finish it we will go out to the left to the watercourse that we will see clearly, once in it we will be the descent.

Tour: (machine translated)
No big deal, the fun is the joint activity.

Return: (machine translated)
It ends at the end of the canal next to the street where we parked.

Coordinates:
Canyon Start 39.2917 -0.7941
