Automatisch importiert von Descente-Canyon.com für Canyon Aiguille Canyon très (vraiment très) glissant ! Pas mal de descentes sur un seul point, loin d'être suréquipé... (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/23428/observations.html)

Automatisch importiert von Descente-Canyon.com für Canyon Aiguille Very nice canyon, also very slippery. Anchors were still in good condition, most of the time double anchors but not connected with chains. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/23428/observations.html)
