Specialities:

Gear:
Ropes: 2x 40m

Summary: (machine translated)
Canyon with only two rappels to save the waterfall, long access and returns. Collecting

Hydrology:

Access: (machine translated)
From Huesca we will take the N-330, going to Sabiñánigo, and then take the N-260 and continue towards Panticosa and Formigal. Passing the village of Escarrilla, cross the bridge over the river Escarra, just after and before entering the tunnel, there is a track on the left where we will park.

Approach: (machine translated)
Following the Forzados path, we will pass the waterfall and soon we will look for the easiest way to go down to the river.

Tour: (machine translated)
Destrepes to reach the waterfall, a first rappel to the ledge and the second and last. After this, chaos.

Return: (machine translated)
After the chaos we will exit to the right by the water intake of Escarrilla.

Coordinates:
Canyon Start 42.7439 -0.3339

Automatisch importiert von Descente-Canyon.com für Canyon Escarra Descente sans sentier plutôt compliquée si on souhaite esquiver la longue portion de gorge en amont du Saldo. Fin des gorges très belle, quelques petits ressauts assez intéressant avant les deux rappels de la superbe cascade. Retour par le sentier du Saldo plutôt que par le chaos jusqu'à la prise d'eau (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/23949/observations.html)
