**Summary:** (machine translated)

Sunny, open dolomite gorge with crystal-clear water and a few beautiful spots, but also plenty of hiking/downclimbing to do

**Hydrology:**

**Access:** (machine translated)

Parking exit: Follow the SS13 through the Canal Valley to Dogna, turn off here into the Dogna Valley. Follow the road until just before the two bridges over the Rio Mas. Parking on the left and right in front of the rock face. You can also park right in front of the bridge, but there is a risk of falling rocks.

Parking entry: Follow the road further up through the valley. After several hairpin bends, you will reach the small village of Chiout Zucuin. At the entrance to the village, park on the right at a picnic table.

Cross the Rio Mas (old bridge remains and tunnel). About 500m after the bridge, you can park at a yellow hiking trail sign.

**Approach:** (machine translated)

From the parking lot, follow the road briefly downhill and then immediately turn right onto a new, narrow forest road. Follow this forest road, first ascending briefly, then crossing or descending into the wide valley of the Rio Mas.

**Tour:** (machine translated)

Short hike, downclimb and slide until you reach the first and highest abseil point.

C 30m rappel from ring hook on the left over the pool

Longer route with small pools, side stream from the right

C 10m from the ring bolt on the right

hiking and downclimbing, with a few pools for sliding

2m jump

Hike and downclimb until you can get out on the right before the bridge.

The last waterfall under the old military road (approx. 20m) has not yet been set up.

**Return:** (machine translated)

Exit the streambed on the right
