Summary: (machine translated)
Nice torrent to enjoy in spring, in summer it usually dries up. If we want to do it complete, we recommend a combination of vehicles and access by the Monars track (check permits). It could be said that it is a collection canyon but, the environment and the almost adventurous character, give it an extra point.
To make this descent you must ask for permission: http://www.altagarrotxa.org/normatives/regulacions-activitats/#barrancs
