Reports:		
2025-06-08   Massimo Loriato   ★★★★★   📖★★★★   ⚓★★★★   🌊 High   🍏 Completed Medium/high water flow after a week with mainly rainy days, but anyway still suitable for our beginner/introduction course just by installing a couple of ropeways. All anchors in order and present even in every minor descent, but a lot of trees around and we had to install a new anchor point with a rope around a log.
