2025-11-23   Joey CIA   ★★   📖   ⚓   🌊 Low   🍴 Completed Walked the wadi as a relaxation day. You can do it without equipment, swimming gear would be ideal as you have to swim from time to time. There are several paths on the right, in the middle and on the left, marked with red or blue cairns. There are fixed ropes to climb up at the waterfalls. If you like block climbing with a bit of cooling off or want to go without much equipment, this is a nice excursion. Rather not real canyoning. (machine translated)
