Summary: (machine translated)

Raw data import from Descente Canyons <https://www.descente-canyon.com/canyoning/canyon/21870>

Hydrology: (machine translated)

The exit of spring

Access: (machine translated)

Drive to Bolandoz. Then follow the direction of Reugney and before leaving the village, turn off the road onto a paved path (unobtrusive sign Rochanon). Follow the road to the beginning of the canyon (clearly visible canyon, very good parking lot + Rochanon sign).

Approach: (machine translated)

Go into the water at the small bridge.

Tour: (machine translated)

Start with the 22 m long, partially overhanging waterfall, which is equipped with 2 chained bolts on the right bank. The rest consists of ledges that need to be de-escalated and equipped with AN.

Not very engaging. You can hike a bit along the shore.

Return: (machine translated)

Turn right onto the dirt road immediately after a C4. This takes you onto the road, which you follow until you reach the vehicle.

Coordinates:

Canyon Start [46.9986 6.0983](#)
