<b>Summary:</b> (machine translated) Sintered forest stream, attractive		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) Leave the A 40 freeway (Geneva-Lyon) when it turns towards Paris in the direction of Lyon. Now 10 km on the A 42 direction Lyon to leave it via the D 77E. Before Amberieu (en Bugey) one comes on the N 75, drives on this to the south. 9 km further one drives over Rhone and turns shortly afterwards in the direction of the east. On the left bank, Rhone goes up for 5.5 km. Here we leave the N 75 and cross to Villebois on the other side of the Rhone. Here we park near the church.		
<b>Approach:</b> (machine translated) From the church, we follow the dirt road uphill in a northerly, later north-easterly direction. We cross another path and now follow a path until a sign points to the Rhéby canyon. We continue along the path as it swings over a side stream. Continuing north across a clearing in the forest, we reach the entry point.		
<b>Tour:</b> (machine translated) Short but attractive, well to combine with the nearby Trefond-Pernaz and/or Arodin. Prohibited in August and from Nov. 1 to April 14 (as of 2012).		
<b>Return:</b> (machine translated) After the last waterfall (C9) a sign ("sortie canyon") points out to the left. It goes steeply up again to the path on which we came and on this right down to Villebois.
