Summary: (machine translated) Small-scale rappel canyon in sinter, also suitable for beginners.		
Hydrology:		
Access: (machine translated) From Chambéry on the A43 in the direction of Lyon. After about 15 km leave the highway at exit 12 (Lac d'Aiguebelette), take the D 921 in (southern) direction St-Alban-de-Montbel west along the lake and continue to Bridoire (9km from highway). In Bridoire it is best to park the car in the shade of the church.		
Approach: (machine translated) From the church, head east up a small path, past the school (alternative parking lot) and uphill on a footpath on the orographic right side of the Grenant stream. Above a house in the middle of a meadow, the path crosses the Grenant and continues uphill. You meet a larger path, follow it to the left, again towards the stream. It becomes a path again and descends to a meadow with 2 houses. This is the entry point. - Parking at the school is not permitted. - If you use the shuttle, park in the right place. (Large parking lot next to the D921) it is forbidden to park at the Chem. de Bagne - The lower parking lot is in front of a church and in the middle of a village, please be considerate and friendly.		
Tour: (machine translated) Simple, but rewarding. The stream is also walked commercially.		
Return: (machine translated) After the 15 m inclined drop clearly recognizable and given by "sortie" right out, up to the ascent path and on this down to the car.
