Access: (machine translated)
Location Val d'en Bas
We must be located in Falgars d'en Bas.
From San Esteve d'en Bas on the C153 southbound, we turn off at Els Hostalets, cross the village and go southbound on the local road. After 500m we have the detour to the right to La Coromina/Falgars. We will go up to Falgars and park.
If we go from the south from Rupit on the C153, at pk 34 we have a curve where the detour to Falgars.
If we have two cars, we will leave the return car in Els Hostalets, the same if we only have one vehicle.

Approach: (machine translated)
Val d'en Bas ravines
From Els Hostalets we will have to look for the path that goes up to the hermitage of Sant Miquel de Castelló, we will continue going up to Pibernat, we will pass and we will find our stream.
From Falgars leaving by the local road to the north we have the detour to the left of the track to Freixadella, we will pass a first stream that is usually dry (Bco Freixadella) where there is a rural house with swimming pool, we continue along the track next to the cut, the next stream is Batllia and the third Cua de l'Euga. After passing it we arrive at our stream

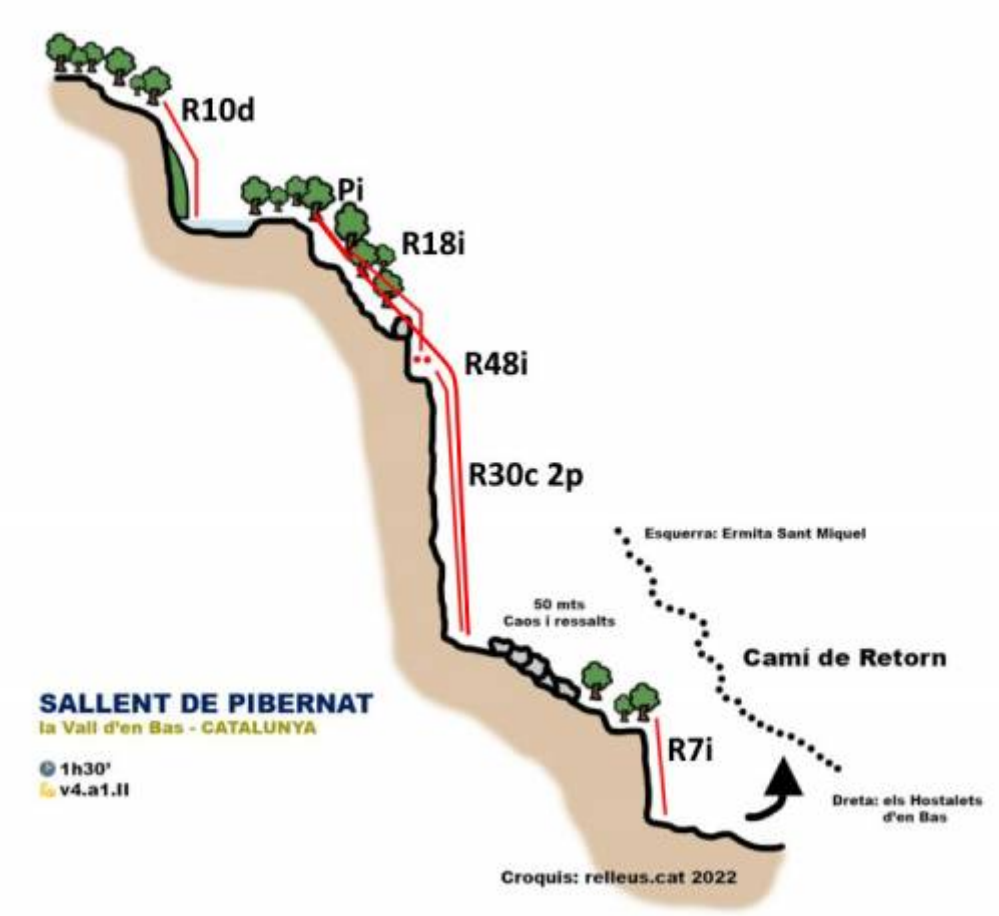

Tour: (machine translated)
See mole

Return: (machine translated)
We go left until we find a path on the left (cow's head) and red marks that lead to an area with staples, we will go up to Pibernat.
We can also continue along the riverbed until we find a path that leads down to Hostalets.
