Specialities:

Gear:

Summary: (machine translated)

Short beginner canyon, very open, crystal clear, greenish pools, ideal also for children! Only 2 short rappels (2 x 8m) otherwise some small slides and jumps, in summer usually very warm water (swimsuit walk!). At the 2nd rappel the spit is missing, but you can also rappel over a tree next to it.

Hydrology:

Access: (machine translated)

The Steinbachgraben is located in the Weissenbach valley between Bad Ischl and Attersee. Coming from the Attersee, leave the car in a parking lot shortly after the narrow passage (gorge) of the Weissenbach.

Approach: (machine translated)

From the parking lot, walk 200 m along the road downstream and then follow the forest road that turns sharply left. After about 10 min, at the first possibility, follow a small path down to the stream.

Tour: (machine translated)

crystal clear pools can be conquered sliding and jumping (but only for children a challenge), the pools also invite only to swim; a small rappel point then some more pools and another rappel point where you can also slide at the end; Attention quiet! Here nest under the last mini waterfall occasionally dippers!

Return: (machine translated)

from the bridge back to the parking lot
