Automatisch importiert von Descente-Canyon.com für Canyon Monts d'Eau Pas d'amarrage avant les 2 dernières grandes cascades qui disposent de relais chainé, possibilité de descendre sur AN mais attention la plupart des arbres sont mort et il y a beaucoup de pierres instables. Priviligier une petite équipe et prévoir de la corde à couper.Canyon avec peu d'intérêt. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/2177/observations.html)
