<b>Summary:</b> (machine translated) Rappel canyon with cave-like passage		
<b>Hydrology:</b>		
<b>Access:</b> (machine translated) From Ioannina, take the A2 highway in the direction of Thessaloniki and take exit 6a (M. Peristeri/ Votinosi/ Chrysovitsa). Then follow the road to Paliochori on the right.		
<b>Approach:</b> (machine translated) From the asphalt road, turn right onto the slope and follow it to the second hairpin (right). An indistinct path descends to the stream.		
<b>Tour:</b> (machine translated) The tour begins with short rappels, which can be done dry or in water. A headlamp is an advantage in the dark part. There are no jumps or slides, the tour itself is very slippery. The cave part is beautiful. 2 rappels in the dark part.		
<b>Return:</b> (machine translated) When the canyon opens up, you come to a concrete wall, after which a dirt road begins about 25 m to the right, which you follow. At the first junction turn right up to the road in about 30 - 40 minutes.
