Automatisch importiert von Descente-Canyon.com für Canyon Rio Sec (amont) Premier Rio sec. Waouh, canyon le mieux équipé au monde ? On dirait que des petites araignées ont tissé leur toile tout le long du canyon. On a envie de poser des cordes de partout, tellement les relais sont abondant on est surclassé, fais avec navette très peu de marche entre les obstacles, un pur plaisir assez glissant, néanmoins dans l'ensemble sortie par la main courante, câbler, bien aérienne avec Alex belle motive merci (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21832/observations.html)
