Simple abseilcanyon with views of the Vajont catastrophe. Done in between storms, little to no water. Recent anchors are single/double M8. One old anchor is M10. Watch out not to get rope stuck on a metal bar next to a single anchor halfway (left bank). 50m rope was just enough.

First descent: 12.06.2021 by 12/06/2021 - Fumarola L. Vescovo A. Artuso F. Boscolo C. Manfrin A.
