Specialities:

Gear:
Ropes: 1x 30m

Summary: (machine translated)
A section to avoid; many drops, but no mandatory jumps, except when the water level is high, which might require the use of a safety rope.

Hydrology: (machine translated)
Spring / Fall - after rain

Access: (machine translated)
Downstream: From Campomorone, drive toward the Praglia mountain pass and park your car at the San Martino di Paravanico cemetery or along the slope leading to the houses on Via alla Grilla.
Upstream: Once you reach the mountain pass, turn onto the unpaved road on Via Monte Penna. Park near the gate.

Approach: (machine translated)
Continue along the unpaved road, and near a cabin on the right, start climbing up the path on the left until you reach the summit. Along the ridge, you'll come across two rocky canyons. We descended the first one, which is narrower and steeper.

Tour: (machine translated)
A section to avoid; many drops, but no mandatory jumps, except when the water level is high, which might require the use of a safety rope.

Return: (machine translated)
After the intersection, you'll come to a motocross trail; follow it up the left-hand slope. After a short distance, you'll come to a wide path that leads up to the mountain pass. Ignore it and continue walking level along the path marked with red markers.
