Approach:

Tour: (machine translated)

First you rappel low and on sight.

Then you have a 40 meter long

More low abseils and then you come to a slightly deeper unclimbable part where the higher verticals begin.

Man currently on the left with a diverter on the tree and armo for the 66 rappel (uncomfortable armo)

After the 66 rappel you come to a small terrace where a split 35 + 40 begins

First leg of the 35 rappel to the right, which is closed in a relay after completing the 40 rappel on the wall on the leg to the left.
