Specialities:

Gear:

Summary: (machine translated)
Dry canyon, without great difficulties
To be completed

Hydrology:

Access: (machine translated)
Take the N330 towards Santa Cruz de Moya.
Once in the village take the CM2203 towards Chelva and Valencia. 3 we have a track on the right, we take it and go along it for 1,6km until the pass of the Era. We parked

Approach: (machine translated)
We descend along the path that runs parallel to the river, at a point where the path crosses the bank to the right and the dry creek narrows. Here begins the descent

Tour: (machine translated)
To be completed

Return: (machine translated)
Upon reaching the Turia we go right next to the river for about 200m to go around to a valley through which we can climb a slope of 150m to take the path that we left at the access. We will take it in a northerly direction (to the right) to walk along the top of the narrow descents, finally we will arrive at the point where we leave the path and we will only have to retrace our steps.
