From the parking lot, follow the road back towards Motta. A staircase and an access road to a meadow appear on the left, which you follow. At the edge of the forest, a small path branches off to the left (blue markings from RIC 2018, arrow with wavy lines).

First you cross the Vallegg della Rozzera, after about 10 minutes you reach a small, picturesque settlement, at the exit of which a path leads to Cortasc, another small settlement. Here you look for the path between the houses to the stream, which you reach after about 10 minutes.

Tour: (machine translated)

The tour begins with small steps and some slippery spots. When you reach the lower houses again, it becomes open and sunny and the rappels higher.

Return: (machine translated)

Cross the stream to the fence, from there a small path leads to the parking lot in 2 minutes.
