From Petra on the Kings Highway "35" in the direction of Karak (north). After approximately 30 km we pass Shobak. 2 km further on we turn left in Al Jaya and drive past Shobak Castle and via Mansoura to the parking lot before a right-hand serpentine of the sloping road (see 2 Google maps
map sections under "Links".

Approach: (machine translated)
From the parking lot we take the path that leads us in a southeasterly direction to the entry, see Google Earth map section under "Gallery".
