Approach: (machine translated) Either from the parking exit on foot to the entry according to https://de.wikiloc.com/routen-wandern/rotenbach-140992616 or from the Brünneliseggälpe (Weiler Schnellvorsäß) first follow the dirt road for 50m, then turn left towards the west onto a path that leads in the direction of Vorsäß Klausberg in a wide right turn to the stream (entry)		
Tour: (machine translated) See photos and video of the ascent on 15.07.2023. After the 6th or 7th rappel (the rappels are numbered consecutively), a lateral rockfall fell into the canyon. This destroyed 2 of the old anchors. We helped ourselves with rappels from dead wood. The situation here is still somewhat unstable.		
Return: (machine translated) As soon as possible after the last rappel turn right and follow a clear track through the sparse forest down the right bank of the stream, later left along the edge of a meadow down to the road and your car.

Reports:

2026-05-09 | Kris Klein | ★★☆☆ | 📖★★ | 📍★★ | 🌊 Low | 🍏 Completed

Stands all OK, despite some rust. IdR chain anchors with glued anchors. A few downclimbs fell victim to the rockslide, but were easy to downclimb or bypass. It was slippery. Partly sunny at noon. In places you can still set one or two anchors. (machine translated)

2026-03-22 | Betschart Stefan | ★★☆☆ | 📖 | 📍★★ | 🌊 Low | 🍏 Completed

All stands io. No. 9 already quite rusty but io. Some stands equipped with chains. Extremely slippery in the water on rocks, on gravel it works. At the described rockfall of 15.7.23 you can climb down on the far left. no problem. Rappels and walking passages alternate. All in all, a beautiful canyon in the Bregenzerwald (machine translated)

2023-07-15 | Wolfgang Streicher | ★★☆☆ | 📖★★ | 📍★ | 🌊 Normal | 🍏 Completed

Widely unknown gorge. The stands are mostly equipped with only 1 attachment. The numbering suggests an intermittent commercial access. After the 6th or 7th rappel (the rappels are numbered), a lateral rockfall has fallen into the gorge. This destroyed 1-2 of the old rappel points. We helped ourselves with rappels from deadwood. The situation here still seems a bit unstable. (machine translated)
