Your adventure begins with a 5-meter jump into a pristine jungle pool, followed by a series of natural water slides, powerful rapids, and technical abseils. The crown jewel of this expedition? A jaw-dropping 50-meter rappel beside Aling Waterfall—one of North Bali’s most spectacular cascades.
But the true magic happens deep within the canyon, in the legendary Bat Cave, where hundreds of bats soar overhead, creating an otherworldly atmosphere unlike anything you’ve ever experienced.
