Specialities:

Gear:

Summary: (machine translated)
Allegedly set up a long time ago.
No confidential information! To be regarded as a tour not yet taken!

Hydrology:

Access:

Approach: (machine translated)
Possibly check with the owners of the Straubinger Haus (1558 m) whether they can drive you to this house. From here it is probably only a 1-hour hike to the entry point.
Otherwise, a steep hike of at least 2 hours is assumed.

Tour: (machine translated)
According to hearsay, it was set up a very long time ago.
However, the information is not certain and the tour should be regarded as not yet completed!

Supposedly a very long tour with some high rappels.
There have also been problems at the exit with local residents who don't like canyoning here.

Any information about ascents can be entered under ascents.
