Continuation of the upper part, same style, slightly higher rappels. The "long downclimbing part" at the end wasn't very long at all. Unfortunately it was filled with a lot of pipes though. Upper and lower combined in just under 3 hours with 2 people, though we were quite fast and efficient.

Great canyon, if you're not disgusted by the thousand millipedes. (machine translated)

Ideal conditions. Hooks ok. Tiring the long run out with constant climbing down after leaving the canyon. (machine translated)
