**Summary:** (machine translated)
Based on Barrancoes
Two very different sectors, the upper one with natural rappel and the lower one with equipped rappel.

**Hydrology:**

**Access:** (machine translated)
Arrive in Saint Girons on the D117 and before the bridge over the river Lez, turn right at the traffic circle onto the D618 to Castillon-en-Couserans. Continue on the D4 towards Bordes s/Lez, cross it towards Sentein and after 5 km turn left towards Ayer and Valleé de Riberot. Follow this road to the exit, the Pla de Lalau and the Maison du Valier.

**Approach:** (machine translated)
We take the path from the parking lot up the valley, along the Vallee du Riberot. After crossing a stream on our right, we will see the exit of the waterfalls. Turn right to go up the canyon.
If we only want to do the lower part, we cross the river and go up on the orographic right side on a small, not very well marked path for about 100 meters.
If we want to go the whole way, we climb up the path that zigzags over the waterfalls to an altitude of about 1470 m.
