Automatisch importiert von Descente-Canyon.com für Canyon Peschio Rosso Nice canyon. Very good equiped. Possible without shuttle or if you want to skip the 1hour walking in the riverbed when you park on the upper parking; After the last rappel walk/downclimb +-300meter in the riverbed, on the river right there is a blue arrow, you find a steep, but well marked path with blue dots. After 35minutes this path connect with the GR. Follow the GR path to the right for 20 minutes to be back at the start of the canyon.
