2026-03-22 System User 📖 📍 🌊 Crazy 🍏 Completed Automatisch importiert von Descente-Canyon.com für Canyon St Môme Sous la neige, départ sous le porche, super dans ces conditions, l'équipement est globalement assez light après les deux premières cascades, beaucoup d'amarrage naturel et de bricolage. L'endroit le plus technique est après le pont, on est passé sur AN rive droite et traversé le jet pour chercher un sapin sur une vire rive gauche. Je poste des photos pour les curieux. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/22437/observations.html)
