2025-01-19 Jason Walker ★★★★★ 📖 ⚓★★★★ 🌊 Low 🍏 Completed Sensational. One of the pretiest canyons ever. A few nice sporty jumps, some cool abseils, and best of all some sporty moves off of ropes navigating little downclimbs through the water flow. The water level was super low when we went through, and this made it very friendly. Its easy to see why it may become A5 with more water. Many of the anchors are quite high, so it was nice that the rock was not at all slippery when we went through!		
2024-03-04 Bibtore ★★★★★ 📖★ ⚓★★★★ 🌊 Normal 🍏 Completed Very beautiful and challenging tour. I would do it again when I go back to New Zealand. The tour is described in the NZ topographic view book as far as I remember. (machine translated)
