Summary: (machine translated)
Short forest canyon for rappeling

Hydrology:

Access: (machine translated)
From Kötschach-Mauthen we take the B 111 and drive about 19 km in a westerly direction up the Lesach valley to the hamlet of Klebas. About 400m further on we leave the B 111, drive down to the left across the Lesach and then up along the Obergailer Bach stream. 4.1 km after leaving the B 111, in a sharp rightward haipin bend, a path turns off to the left to "Märchenland" and "Goldgräbercamp". Here we park our car.

Approach: (machine translated)
We follow the road further uphill for about 550m. The road now emerges from the forest. Here you can descend on a path to a viewpoint where the waterfalls are partially visible. Back on the road, we continue for a few more steps and then look for a descent into the streambed on the left.

Tour: (machine translated)
Sequence of 5 rappels, then down in the open streambed to a clear exit to the left.

Return: (machine translated)
Through the "Fairyland", past the "Gold Diggers Camp" back to the road and the car.
