2024-05-19   Bina    📖 📍 🌊 High  🔴 Not done We hiked up along the canyon (hiking trail E4). Unfortunately, you rarely get a view of the canyon from the path. The places we saw were not very interesting and flat, a lot of stream walking..Actually we wanted to do the canyon, but it doesn't look worthwhile. 2 prohibition signs indicate that swimming is prohibited.... We don't know whether the canyoning tour is permitted.... (machine translated)
