From Pfronten- Steinach into the Eng (the Engetal) in the direction of Grän/Tannheim in the Tannheimertal. After about 7 km you cross the German-Austrian border at the Fallmühle. A good 2.5 km further on, on the left (east) of the road, is the old Austrian customs office.  
100 m before that, the road crosses the Seebach. Right before the bridge parking next to the road.

**Approach:** (machine translated)

From the parking lot across the road and on clear climbing tracks on the orographic right side of the stream in an easterly direction upwards. After a good 15 min. you reach a forest track (before right view of the first waterfall), keep right on it and finally descend a few meters to the right to the entry.

**Tour:** (machine translated)

Sequence of smaller rappels, slippery ground.

**Return:** (machine translated)

After the last waterfall (with the jammed log in the small pool above - 2010) out to the right and down to the car on clear tracks.
