Summary: (machine translated)
Hiking, some rock ledges that you can climb down (rappel with AN possible)

Hydrology: (machine translated)
Slightly water-bearing.

Access: (machine translated)
From La Ciotat, drive towards Figuerolles and then turn right towards Notre Dame de la Garde. Park at the place with the sign "Access for residents only".

Approach: (machine translated)
Turn left at the Notre Dame de la Garde sign and drive into the "Résidence de Notre Dame de la Garde" housing estate (sign at the entrance). Take the road on the left, turn left again after 50 m and after another 50 m leave the road, which ends in a dead end, to reach the meadow on your left. At the exit of this meadow, the path leads directly down into the canyon.

Tour: (machine translated)
Hiking, some rock ledges that you can climb down (rappel with AN possible)

Return: (machine translated)
Exit the stream through the metal gate that crosses the river 30 meters from Figuerolles beach (do not try to go out beforehand, otherwise you will end up on private property). Then take the stairs on the left that lead up to the Figuerolles parking lot and cross the road to reach our car.

The canyon is more than unrewarding. Quite full at the beginning. For the most part, artificially fenced. One climbing point, the last 3m steps have to be rappelled from a fence. Then you are on private property and have to climb over the fence or gate to get back into the public area. (machine translated)
