Resumen:
Impressive narrow canyon with massive waterfalls and hot spring vents at the end.

Hidrología:

Acceso:
You will need to apply for a permit to enter this area, as all canyons in Taiwan, bring a drill, bolts, ect as typhoons commonly knock out bolts.

Acceso:
Park somewhere around 51QUF 02007 60849, walk south up the old road until you reach an abandoned shelter, then up a steep single track up and over saddle of hill and down to the large river. On the other side, set up base camp and continue up hill as shown in GPX. The walk to the camp should take about 4 hours.

Recorrido:
Follow ridge up to the hill from camp, then down again into canyon, as the gpx file.

Regreso:
End at base camp and either walk out the 4 hours or camp the night with hot springs.
