**Resumen:** (traducción alternativa)
Relatively easy canyon with a few nice passages.
Good to do when there is too much water in other streams.

**Hidrología:**

**Acceso:** (traducción alternativa)
From Masera, take the 5533 in the direction of the Simplon Pass
and turn off at Crodo. Drive up the Antigorio valley,
Formazza. After the hamlet of Piedilago, turn right in the direction of

Cristo. Cross the Toce and immediately turn left. A little
park in an open space next to a small bridge over the stream.
over the stream. The stream is normally dry at this point. To
estimate the actual flow velocity, climb up to the starting point of the route
(see below).

**Acceso:** (traducción alternativa)
Follow the small road uphill before the small bridge
bridge, around the stream and leave several clearer
clearer junctions to the left. At the exit (starting point, watercourse control)
it becomes a path and leads into the forest on the right.
Shortly afterwards you cross a marked path which you follow uphill.
