<b>Acceso:</b>		
<b>Acceso:</b> (traducción alternativa) Enter the stream a little above the bridge.		
<b>Recorrido:</b> (traducción alternativa) Starts with a few easy/short rappels in the open streambed. This is followed by a fairly long running section. This is followed by some more short rappels until you reach the exit at the metal footbridge.		
<b>Regreso:</b> (traducción alternativa) After the last rappel, exit at an irrigation ditch - follow the metal footbridge. Continue through a gate towards the already visible farm. Less than 100m after the farm, the descent path through the forest begins on the left and leads directly to the road where the car was parked.
