<b>Hidrología:</b>		
<b>Acceso:</b> (traducción alternativa) From Locarno drive first ri. Maggia valley --> follow the road until the village Broglio --> directly at the end of the village there is a sign with the inscription Fusio 10km + bus stop Somprei where on the right a small road branches off --> drive down this road, cross the bridge --> further turn left and follow the gravel road past the stone houses until the next bridge at about 700Hm --> park here (exit).		
<b>Acceso:</b> (traducción alternativa) Climb up the already visible hiking trail next to the stream --> you can also take a shortcut and climb directly --> after a short time there is a wooden bridge --> you cross this --> over the large stone slabs you reach a tree where you can rappel about 15m into the stream (entry below the waterfall).		
<b>Recorrido:</b> (traducción alternativa) This short but very beautiful tour is well suited for beginners --> after you have rappelled from the tree you go only briefly to the next 2. small rappel --> the following beautifully washed out pools invite you to slide --> other places can be mostly rappelled (but there are pitons for downclimbing) --> almost throughout the course you have the possibility to get off --> caution is advised at the last rappel point C15 --> here is an overhang + sharp edge --> then you could get off left or downclimb the last meters.

2 slides and an abseil. Last abseil big overhang and sharp edge. We did the upper part as well. It was a nice but cold day.
