Automatisch importiert von Descente-Canyon.com für Canyon Taxabach Very nice short canyon. Ideal for example for winter, if you want to try cold canyon -> It's short enough for you to enjoy it without taking any risks. A fun canyon for beginners in the summer. looks nice from above. The wooden bridge is closed but you can enter the stream a bit further down the road.

Everything is a mountain pass. Good water level, all jumps possible. Stands OK! Be quiet on the exit, as the local residents are annoyed by the noise. (traducción alternativa)

Pretty good value for a short walk in! No topic because it would be soo confusing with all the fixed options!?
