Resumen: (traducción alternativa)
Nice abseil canyoning, rather little water, also passable in bad weather, highlight: 25 m abseil through a waterfall, very well secured, partly also fixed ropes

Hidrología:

Acceso: (traducción alternativa)
from St. Gallen in the direction of Großreifling until you reach a parking lot of the Koglerl ski lift; park your car here, because from here you are very close to the exit point.

Acceso: (traducción alternativa)
From the parking lot along the road in the direction of Großreifling (possibly with a second car); after about 1km there is a forest road to the left, follow this forest road to the waypoint, here branches off a clearly recognizable path that leads to the stream.

Recorrido: (traducción alternativa)
The canyon starts with several fun slides, some also with fixed ropes for belaying; then the rappels begin; very short rappels at the beginning, but increase up to 25 meters (7 rappels in total) until the end. The highlight of the canyon is the last rappel 25m directly in the waterfall. (Attention very much loose stones in the stream)

Regreso: (traducción alternativa)
Along the road back to the parking lot

Everything ok so far. Some new fixed ropes, a few could still be replaced. Otherwise tip top. Currently for the Erb, lots of water. (traducción alternativa)

Good conditions after night thunderstorm. Really short, from car to car 90 minutes. Upper part was very slippery, a lot of fixed ropes, which looks like new.

All stands ok. Some fixed ropes with sheath tears. Surprisingly little water and not very slippery. Despite the bad weather, the guides led us diligently today. Perfect half-day tour. (traducción alternativa)

Currently very little water. In places slippery again. The installed fixed ropes are already somewhat worn. (traducción alternativa)

Currently nicely cleaned through, little slippery. Many fixed ropes in good condition. The nice inn at the exit of the gorge has unfortunately closed, so the parking situation is difficult again (at the last tenant we asked if we could park with him, was no problem). (traducción alternativa)
