Resumen: (traducción alternativa)
Sunny, open canyon in a lonely environment with several slides and jumps. Relatively long access.

Hidrología:

Acceso: (traducción alternativa)
B64 through the Salzatal, turn into the Lassingtal at Fachwerk, drive up the valley until you reach the signs for the forest road. Park here on the side.

Acceso: (traducción alternativa)
Follow the forest road into the valley, at the first fork turn left into the side valley of the Grossalmbach. Follow this forest road over a saddle, then descend to the stream via the second forest road branching off to the right, or continue up a little further to the bridge over the Rotbach.

Recorrido: (traducción alternativa)
Many jumps and slides (between 2 and 6m high), all secured with glued anchors. Two rappels, which can be bypassed on the left and can withstand a lot of water. Don't get out yet when a forest road appears on the right bank, 300m downstream there is one last small gorge. The Weissenbach, which flows in slightly above the exit point, is also drilled in.

Regreso: (traducción alternativa)
Via Forstrasse back to the starting point.

Coordenadas:
Inicio del Cañón 47.7664 15.0889

Relatively much water. All jumps doable. Also passable without rope. The approach has been extended by about 10 minutes, because there is now a ban on driving up to the hut. Description and pictures adapted. (traducción alternativa)
