<b>Resumen:</b> (traducción alternativa) Hiking canyon with a few slippery downclimbs. Only in the last section a sequence of 4 sporty rappel.		
<b>Hidrología:</b>		
<b>Acceso:</b> (traducción alternativa) We leave the Achenseestraße - B 181 - eastwards onto the cul-de-sac to Steinberg. The route continues to Hinter(Ober-)steinberg. The main road bends to the right and touches the edge of the forest (bus stop) at the southernmost point of the bend. We park our car here.		
<b>Acceso:</b> (traducción alternativa) We take the trail (AV 412) that leads into the forest. We come to an even and only slightly ascending slope. We disregard the forest roads to the right and left. After about 3 km the track branches. On the left we quickly reach the lower access, on the right uphill we reach the upper access after about 1.5 km and still before the hunting lodge.		
<b>Recorrido:</b> (traducción alternativa) At the beginning hike in the streambed, then a mostly gated narrows with a possible jumps and 2 smaller rappels. Then we come to the road bridge, where the lower entry. Soon after, the first rappel (in the stream). On the following river walk (approx. 1h) some more rappels without belaying, in between downclimbing again and again. When you reach the pedestrian bridge, 4 rappels follow. Exit at the slide brake of the stream coming from the right (Grundache).		
<b>Regreso:</b> (traducción alternativa) Now the forest road down the creek, then left over the bridge. From here a path leads up to the farms of Hintersteinberg and to our car....

**Informes:**

2023-07-08 | Patrick Summerer | ★★ | 📖 | ★★★ | 📍★★ | ☰ Normal | 👍 Completado

Unfortunately, only the lowest part interesting (last 4 rappels from climb Gaismoosstollen), and at the beginning a nice place, otherwise 1h walking distance and annoying slippery tree climbing! 2 stands drilled rather at the beginning of the gorge, as none were available. The gullies were unfortunately not deep enough to jump / slide (traducción alternativa)
